

**Aligning
Incentives
for a Stronger
America**

THE PROBLEM

America's economy is fractured by misaligned incentives, weak governance, and foreign economic manipulation.

**WITHOUT A UNIFYING
ECONOMIC FORCE,
AMERICA'S FUTURE
IS AT RISK.**

Citizens have no financial stake in national prosperity.

Businesses exploit loopholes instead of contributing to long-term growth.

Government leadership lacks true economic alignment with the people.

THE SOLUTION

**THE USA TOKEN IS A
BLOCKCHAIN-POWERED
ECONOMIC SYSTEM THAT
ALIGNS CITIZENS,
BUSINESSES, AND
GOVERNMENT TO ENSURE
NATIONAL PROSPERITY
BENEFITS EVERYONE.**

By making USA Tokens the foundation of economic participation, we create a system where:

- ✓ America's growth is incentivized
- ✓ Economic stability is sustainable
- ✓ Financial transparency is guaranteed

GOVERNMENT LEADERSHIP TOKEN ALLOCATION

USA Token rewards officials for performance, ensuring long-term commitment and preventing short-term manipulation.

Rewards to incentivize America's long term success "The President gets 1%, while the Vice President, Cabinet, and Congress share 0.1% each.

Allocation Rules

- Officials receive unvested tokens when taking office
- Tokens vest only if the price grows 5% every 2 years
- Vested tokens release over 10 years
- Unvested tokens are burned at term's end

ECONOMIC ALIGNMENT & LONG-TERM STABILITY

Businesses & Foreign Companies must hold USA Tokens to operate, creating constant demand.

No Arbitrary Inflation – New tokens are only issued for new citizens, maintaining scarcity.

Government Buybacks & Auctions regulate token supply, ensuring price stability.

Trade & Tariffs may require USA Tokens for payments, strengthening U.S. economic power.

Blockchain Transparency & Security ensures all transactions are accountable and fraud-proof.

THE MISSION

A STRONGER, UNIFIED AMERICA

The USA Token realigns America's economy by ensuring every stakeholder has an incentive to drive national success.

This self-sustaining model benefits citizens, businesses, and the government alike. With USA Token, we take back control of our economy, strengthen our nation, and secure prosperity for generations to come.

HOW IT WORKS

-  **Universal Citizen Ownership**
 - Every American gets 100 USA Tokens, directly tied to U.S. success
 - Supply: ~35 billion tokens
 - Goal: USA Token value to \$1,000 for \$100K per American

-  **Business & Foreign Investment**
 - Businesses need USA Tokens to operate.
 - Foreign companies hold USA tokens for market access.
 - Higher demand grows token value.

-  **Government & Leadership Incentives**
 - Officials receive USA Tokens that vest over time
 - Government earns tokens via fees, auctions, and trade.

-  **"Friends of America" Leaderboard**
 - Showcases top holders
 - Rewards loyalty and commitment to America's success

-  **Digital Identity & Security**
 - KYC verification with Social Security & Passports.
 - Using blockchain for security & compliance.
 - Seek integration with X and Truth Social.
